ANTIS

3-3-2020 rev26062020

The Antis has been developed to enhance the QUEX ED / QUEX S / SCIO / INDIGO / EDUCATOR experience and help relieve the stress associated with quitting smoking by using a carefully selected set of frequencies. The Antis session takes around 25-30 minutes, with a user friendly interface that eases the therapist's job, allowing them to concentrate

The screenshot shows the QXSUBSPACE App interface. At the top, the title bar reads "QXSUBSPACE App" and "QED2309200013". The main content area is titled "ANTIS" with a version number "3-3-2020 rev26062020". A text block describes the app's purpose: "The Antis has been developed to enhance the QUEX ED / QUEX S / SCIO / INDIGO / EDUCTOR experience and help relieve the stress associated with quitting smoking by using a carefully selected set of frequencies. The Antis session takes around 25-30 minutes, with a user friendly interface that eases the therapist's job, allowing them to concentrate". Below this is a "Patch notes" section. A large blue circle with a download icon is overlaid on the right side of the screen. A red warning box with an exclamation mark contains the text "Download and installation in progress...". Below this is a progress bar showing "35%" completion. A red "Cancel" button is positioned below the progress bar. At the bottom right, there is a "Chat" button. The footer text reads "Stable versions. Copyrights © 2020 All Rights Reserved by QX WORLD LTD".
